## GENERAL INDEX D NAMES ONLY

The heavy-face type is merely for the readers' convenience in following the progress of the alphabetical arrangement.

In family groups the children are indicated by an asterisk without repeating the surname.

To avoid the vagaries incident to the growth of family names, all prefixes which denote relationship, such as ap, atte, de, del, fil, fitz (except Fitz Alan), le, la, ten, toe and the like are omitted from the index except for very modern surnames. The Dutch Van is however, retained, also Mc, Mac and O'.
